

MALONE LAW ATLANTA

WHEN AN 18-WHEELER CROSSES THE LINE

Malone Law specializes in catastrophic injury cases arising out of the carelessness of others—whether caused on the highway or in the hospital. Veteran attorney Thomas W. “Tommy” Malone is inspired daily by the “...belief that I can make a meaningful difference in the lives of others.” In addition to his record-setting verdicts in medical negligence cases, Tommy is understandably proud of a \$49 million verdict he obtained for a young man in

California who suffered a traumatic brain injury as the result of a commercial trucking collision.

Tommy, a nationally known trial attorney, was named to the 2013 Carter Center Board of Councilors, an entity that works with President Jimmy Carter to serve as a link between the community and the Carter Center. In 2013, he is once again honored to be included among the state’s Top 10 on the Georgia Super Lawyers list. His law partner and son, Adam Malone, ranks in this year’s Top 100.

Adam Malone has obtained multimillion-dollar recoveries for the victims of commercial truck drivers in cases resulting in wrongful deaths and catastrophic injuries. Adam frequently speaks to organizations across the country imparting his trucking litigation knowledge and experience. In 2012, he was inducted as a fellow into the International Society of Barristers, and was honored by the American Association for Justice with the Wiedemann & Wysocki Award, which is bestowed upon members deemed to have exceeded their commitments to the principles of the civil justice system and the AAJ.

Both Tommy and Adam are AV-rated by Martindale-Hubbell, and are annually recognized in *The Best Lawyers in America*. Through the skillful handling of complex cases, Tommy and Adam have earned a reputation of excellence. This reputation has become their tradition as they continue to achieve just compensation for those they are privileged to represent.
