## TRADITION OF EXCELLENCE

Malone Law specializes in catastrophic injury cases arising out of the careless conduct of others—whether caused on the highway or in the hospital. Adam Malone continues the Tradition of Excellence established by his father, firm founder, and pioneer trial lawyer, Tommy Malone. Their shared passion for justice defines their practice and reputation in the courtroom and community. In addition to Malone Law's record-setting verdicts, including verdicts of \$49 million and \$24.5 million, Adam is understandably proud of the work he and the Malone Law team accomplish daily to help people put their broken lives back together.

"My dad instilled in me the belief that we are called to make a meaningful difference in the lives of others; and I think that ambition has been an important part of our success," says Adam Malone.

In 2017, Tommy Malone is once again honored to be included among the state's Top 10 on the Georgia Super Lawyers list.

Adam and his father both have the highest ratings available in legal ability and ethics from Martindale-Hubbell and are annually recognized among *The Best Lawyers in America*. Malone Law has earned a reputation of excellence, which is not just a reputation, but a tradition—a Tradition of Excellence.
