TRADITION OF EXCELLENCE

Malone Law specializes in catastrophic injury cases arising out of the carelessness of others—whether caused on the highway or in the hospital. Firm founder Tommy Malone and his son, Adam, share a passion for justice that has come to define not only their practice, but also their efforts in the community. In addition to a number of record-setting verdicts during their careers, including recent awards of \$49 million and \$24.5 million, Tommy and Adam are understandably proud of the significant changes their cases have brought about in Georgia law for the benefit of patients.

“We have similar goals in that we are both inspired daily by the belief that we can make a meaningful difference in the lives of others; and I think that shared ambition has been an important part of our success,” says Tommy Malone.

In 2015, Tommy Malone is once again honored to be included among the state’s Top 10 on the Georgia Super Lawyers list.

Tommy and Adam are AV rated by Martindale-Hubbell®, and are annually recognized among *The Best Lawyers in America*. Through the skillful handling of complex cases, Tommy and Adam have earned a reputation of excellence. This reputation has become their tradition as they continue to achieve just compensation for those they are privileged to represent.
