ATLANTA

WHEN AN 18-WHEELER CROSSES THE LINE

Malone Law specializes in catastrophic injury cases arising out of the carelessness of others—whether caused on the highway or in the hospital. Veteran attorney Thomas W. “Tommy” Malone is inspired daily by the “... belief that I can make a meaningful difference in the lives of others.” In addition to his record-setting verdicts in medical negligence cases, Tommy is proud of a \$49 million verdict he obtained for a young man in California who suffered a traumatic brain injury as the result of a commercial trucking collision.

Tommy Malone is once again honored to be included among the state’s Top 10 on the Georgia Super Lawyers list. His son, Adam Malone, ranks in this year’s Top 100.

Adam Malone has obtained multimillion-dollar recoveries for the victims of commercial truck drivers in cases resulting in wrongful deaths and catastrophic injuries. He frequently speaks to organizations across the country imparting his trucking litigation knowledge and experience.
